In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. ## MISSION BY-LAWS.

## A BY-LAW

*To authorise the sale of lands within the Corporation of the District of Mission upon which taxes have been due and in arrears for two years.*

WHEREAS it is expedient and necessary that all land or improvements or real property within the limits of the Corporation of the District of Mission upon which municipal taxes or special rates, or both, have been due and in arrears for two (2) years prior to the passing of this by-law shall be sold at public auction and the proceeds applied to the reduction of such taxes:

Be it therefore, and it is hereby enacted by the Municipal Council of the Corporation of the District of Mission, under the authority of sub-sections 135 and 136 of section 50 of the "Municipal Clauses Act," as re-enacted and amended by section 6 of the "Municipal Clauses Amendment Act, 1898," and sub-sections 137, 138 and 139 of said sub-section 50 and section 111 of said "Municipal Clauses Act," and under the authority of all or any other powers it thereunto enabling, as follows:—

1. In the construction of this By-law the expression taxes shall mean and include all special assessments and special rates as well as all other municipal taxes.

2. The Collector of the said Municipal Corporation is hereby authorised and directed whenever any unpaid taxes on any land or improvements or real property have been due and in arrears for two (2) years prior to the passage of this By-law, to submit to the Reeve of the said Municipality a list, in duplicate, of all lands or improvements or real property upon, or in respect of, which taxes shall have been unpaid and in arrears for the space of two (2) years prior to the passing of this By-law, and in such list shall be scheduled in separate columns—(1) The amount of taxes for which the property is liable to be sold under this By-law. (2.) The Collector's commission at four per cent., and contingent expenses of sale. (3.) The total amount of taxes, interest and costs for which the property is liable to be sold; and the Reeve shall then authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be deposited with the Clerk of the Municipal Council, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Reeve and the seal of the Corporation, commanding him to levy upon the land or improvements or real property for each total amount of arrears of taxes, interest and costs thereon as therein specified.

3. It shall not be the duty of the Collector to make inquiry before effecting a sale of lands enumerated in such list.

4. The Collector shall prepare a copy of the list of lands or improvements or real property to be sold, and shall include therein, in a separate column, a statement of the proportionate costs chargeable on each lot or section, or part of lot or section, for advertising and for the commission authorised by this By-law to be paid to him, and shall cause a copy of such list to be published, once a week for a period of one month preceding the date of such intended sale, in a newspaper circulated in the said Municipality.

5. The said advertisement shall contain a notification that unless the said arrears, interest and costs are sooner paid, the Collector will proceed to sell by public auction the lands or improvements or real property mentioned in said schedule, for taxes, on the 2nd day of November, 1901, at 12 o'clock, noon, at the Council Chamber of the said Corporation, at Mission City, British Columbia, or if it may be found necessary by the Collector in order to carry out the said sale, to adjourn the same, then at any adjourned sale he may deem fit to hold, and the amount of arrears of taxes, interest and costs mentioned in such schedule shall be *prima facie* evidence of the correct amount due.

6. The Collector shall at least two (2) months prior to said time of sale, deliver to or deposit in a post office in British Columbia, with the usual postage rate paid in each case, to the known address of the owner of said property (which is to be sold for taxes as aforesaid), or to his agent, a notice in writing (or partly in writing and partly printed) of the amount of arrears of taxes due thereon, interest and costs incurred, and of such intended sale, and the time and place of sale, and in the case of the address of such owner or his agent being unknown, such notice shall be posted on the property intended to be sold, or as near the property as practicable, and at least two (2) months before

the time of sale he shall post a notice, similar to the said advertisement, in or on the Council Room of the said Municipality.

7. The said Collector shall not, before effecting any sale hereunder, be bound to ascertain whether any distress has been made upon the said property, or to enquire into the value of the said lots or sections, or parts of lots or sections, mentioned in the said schedule.

8. The Collector shall, at the time and place of said sale, or any adjourned sale, proceed to sell by public auction so much of each and every of said lots or sections, or parts of lots or sections, mentioned in said schedule, upon which the arrears of taxes, interest, costs and expenses have not been paid, as may be sufficient to discharge the said arrears of taxes, interest, costs and expenses and any costs incurred upon such sale.

9. If the purchaser of any lot, section, or part of lot or section, fails immediately to pay to the Collector the amount of the purchase money therefor, the Collector shall forthwith re-offer the said property for sale.

10. If at any time appointed for any sale hereunder, no bidder appears, or should the bidding in any case be insufficient to satisfy the arrears of taxes, interest and costs, the Collector may, in his discretion, adjourn the sale from time to time to such time and place as he may think fit, without further notice, and at any such adjournment the Collector may, if he thinks fit, sell such land for any such sum as he can realise.

11. The Collector shall, after selling any land or improvements or real property, give to the purchaser thereof the necessary certificate provided for by the Statutes in that behalf.

12. Immediately after such sale, or any adjourned sale, the Collector shall return a list of the arrears of taxes, interest and costs, and expenses satisfied by such sale, to the Clerk of the Municipal Council, and shall at the same time pay in the proceeds thereof to the Treasurer of the said Corporation.

13. The Collector shall be entitled to a commission of four per cent. on all arrears of taxes collected by him, and such commission shall be included in the respective costs set out in the said schedule.

14. Nothing herein contained to the contrary shall affect the right of the said Corporation to recover the said arrears of taxes, with interest and costs, as provided by the "Municipal Clauses Act" and amendments thereto.

15. Provided, also, and it is hereby enacted that whenever at any time during said sale, or adjourned sale, it may happen that the price for the purchase of any real property mentioned for sale in said schedule, is less than the amount of the arrears of taxes due in respect of such lot or section, or part of such lot or section, it may be lawful for the Reeve or any member of the Council of the said Corporation to purchase the said real property for and in the name of and on behalf of the said Corporation.

16. In case of any property so purchased by the Municipality and not redeemed within the time limited by said "Municipal Clauses Act" and amendments thereto, the Municipal Council may by a resolution sanctioned by a vote of two-thirds ( $\frac{2}{3}$ ) of the Council, sell such property so purchased, or any of it, at such price as the resolution may specify.

17. This By-law may be cited as the "Mission District Municipal Tax Sale By-law, 1901."

Done and passed in open Council this 4th day of May, 1901.

Reconsidered and finally passed and the seal of the Corporation affixed this 1st day of June, 1901.
